Facebook Page for next meeting date!

The year has been busy for the Waterville Community Connections group! (Former Chamber of Commerce) The city of Waterville celebrated the 150th+1 big bash on Friday, July 30 at Lipton Ball Fields. Former City Mayors Ray Lindquist and Dave Whitesell lead the parade, followed by kids with balloons! A traditional chicken dinner was a hit, along with a late night watermelon feed, just before speculator fireworks!

Another big event for the town is annual Nickel Day of course! Saturday, May 29 was the date and downtown Waterville was hoppin'! Lots of games, food, car show, & large parade were enjoyed.

A few Lake Idlewild cleanup days have been taking place this spring and summer, followed up by a lakeside picnic lunch.

The Butch Roepke Golf Tournament was held most recently on Saturday, August 21 at our gorgeous Waterville Community Golf Course. Tim and Payton Manley, of Blue Rapids, placed 1st again (3 years in a row!) at the 24th annual event.

The next Lake Idlewild Work Day is scheduled for Sunday, September 11 from 9-11am with a picnic lunch to follow.

The new signs coming into town on Highway 77 down the Titan hill look great, advertising our city and community well!

There is a Consignment Auction in the works by the Waterville Community Connections team! Scheduled for Sunday, October 10 at noon, the event will be held at the Community Center in downtown Waterville. Call Joyce Stryker at 785-268-0601 for an auction number; and/or Darla Dick at 785-562-6595 for more information on this event.

Planning for Christmas Kickoff has started at the Community Connections meetings! This festive event is always held on the first Saturday of December.

A goal for the Community Connections group is to purchase a sound system for Commercial Street in downtown Waterville. A fundraiser for this will be announced soon!

**WATERVILLE** Community Connections
